

HOWE SOUND MINOR BALL

ASSESSMENTS

PLAYERS AGE: 8-12

Coordinators, Parents and Players

Every pre-season, HSMB holds assessments to determine which division players will play in and so that coaches can draft balanced teams for the upcoming season. This year's assessments will be used to populate the Minors, Majors B and Majors A Divisions.

The guidelines for division makeup are as follows:

Minors – 8 year olds (who want to play above Farm Division) and 9 year olds with skills appropriately suited for introduction/progression into player pitch baseball with modified rules.

Majors B – 9, 10 and 11 year olds with skills appropriately suited to playing player pitch baseball with standard HSMB house rules.

Majors A – 12 year olds, plus 10 and 11 year olds with skills appropriately suited to playing standard Majors baseball rules and facing more advanced pitching.

*** These are guidelines and exceptions may be made***

It is our goal as a league to place all of our players where they will develop their skills, with similarly skilled players and as a result, find a measure of success and enjoyment while developing their gameplay.
